

Revise the internal regulations of the Local Board "By-Laws of the Guaynabo Toa Baja Workforce Development Board", to include the requirements for the granting of payment stipend to board members for attendance at regular or extraordinary meetings, also the amounts payable, frequency of payment, among others.

To AMENDMENT Section 8.1, Article VIII (page 14), General Provisions (By-Laws of the Guaynabo-Toa Baja Work Force Development Board). Instead it would read as follow:

To receive such a diet, you must remain in the entire meeting, if any member would have a situation where he/she needs to leave the meeting, he/she must be authorized by the President of the Local Board of Guaynabo-Toa Baja. If a member is involved in a meeting of the Local board and at a committee meeting on the same day, it will receive only one compensation per day.
- 8.1 b) The amount authorized for the remuneration and diet stipend is \$100.00 per day, as approved in the regular meeting of the Local Board of Guaynabo-Toa Baja, on July 11, 2018. The funds for these purposes will be established in the Local board budget which is established annually according to the availability of funds in the Annual Plan or Annual Work Specifications.
