

## PUBLIC NOTICE

### REQUEST FOR PROPOSAL FOR PROFESSIONAL SERVICES YEAR PROGRAM 2023-2024

The Guaynabo-Toa Baja Local Workforce Development Area administers federal funds from the Innovation and Workforce Opportunities Act (WIOA) of July 22, 2014. As part of the administration of these funds, proposals are required to maintain a collection of potential suppliers for the acquisition of the following services:

- 1. Professional and Consultative Technical Assistance Services in Program Planning and Operation** including, but not limited to, Planning and Preparation of Annual, Regional plans and their Amendments (WIOA Funds). Design and development of procedure in tune with WIOA requirements. In addition, other laws related to the Labor Development system, training and training of staff on established systems and procedures, technical assistance in all aspects of operation in required areas and assistance in preparing proposals for search for funds. Advice on matters related to planning and WIOA performance metrics, must have experience and knowledge of WIOA performance standards as well as the interrelation of this matter in case management. The proponent must submit information related to WIOA experience.
- 2. Professional and Consultative Services related to Legal Consulting** including, but not limited to, specialized legal opinions on matters related to WIOA; Human Resources; Litigation in the State and Federal Forum, federal complaints, guidance to staff and participants, as required by the Executive Director. Reviews of programmatic contracts, revisions of programmatic procedure manuals, in areas of support services and other related areas. Guidance to participants on their rights under WIOA. Bidders must have experience in the regulations and application of the Puerto Rico Municipal Code, Law Act 107-2020, and other related legal matters.
- 3. Professional and Consultative Services to the Management Information System**, internal control and accounting system, including, but not limited to, support in areas of management and accounting systems, as well as internal controls; reporting support generated by SAP, Fast Gov and any other systems established by the Labor Development Program (PDL); support for the financial system and general advice on accounting and financial matters. It is required to be a service provider of the MIP system and any other established by the PDL. The proponent must submit related experience in WIOA experience.
- 4. Professional and Consultative Services to the Management Information System NETWORK/ LAN/WAN / LICENSES / SERVERS**, Including, but not limited to providing maintenance of operating systems to computer equipment, technical support for problems at the hardware level, detection of problems and/or recommendation of solutions, technical support, maintenance and monitoring of networks for communications between offices and configuration maintenance and knowledge of equipment and programs for data protection.
- 5. Websites Maintenance Services** including, but not limited to, digitalization of forms to be completed online, design and programming (Responsive Web Design), registration of users publishing and accessing documents, periodically upload documents in PDF, PNG, Power Point, or other formats to the portal. Publish and access documents that can be filled out online. Periodically update the access icons to all relevant state and federal laws and regulations, as well as Public Policies required by law, as requested by the Board. It should include reference and knowledge about the requirements to comply with WIOA's "Sunshine Provision".
- 6. Professional Services for the Translation of Spanish and English Language Documents.** The Proposal shall contain the details of the services and the cost per word.
- 7. Professional and Consultative Services Promote Youth Activities and Services on and off school, Adults and Displaced Workers** including, but not limited to effective promotion, using social media and other advertising methods to interest, motivate, identify, evaluate and refer to the Guaynabo-Toa Baja Local Workforce Development Area Single Management Center/American Job Center (CGU/AJC) to young people inside and outside as defined in Section 129 and, dislocated workers and adults, as defined in section 134 of WIOA. The proposal should contain the details of the services and the hourly cost.

Guidelines regarding this RFP will be available in digital format beginning Wednesday, May 17, 2023 through May 24, 2023 until 3:30 p.m. They can be requested through the following email to: [juntalocal@gtbwioa.com](mailto:juntalocal@gtbwioa.com).
